SPARKY'S BBQ

Watch our Facebook and Instagram page for our delicious BBQ and other special events!

Sparky's Pizza Co. is not a new player in the pizza industry. Our family-owned pizza shop was originally in business from 1974 to 1994 in downtown Rittman. Our dough, sauce and sausage is homemade and will be made fresh daily. When you visit our restaurant, you will enjoy a delicious menu that consists of the look and taste of the original Sparky's pizza along with handpicked local toppings when available. Most importantly, our customers are our friends! In keeping with my parents' tradition, we plan on being very involved in the community as well as supporting local youth organizations. We are not only excited to serve our old Sparky's customers but eager to be part of Seville and to make new friends along the way!

Our house pies consist of Sparky's original recipes! We begin our pies with our aged homemade dough, top each pie with our homemade pizza sauce and end with a blend of freshly shredded cheeses.
